COMMENTS (Use reverse, if necessary) <p><i>I received an anonymous tel call at 17:00 - 13 Oct stating the observation of an unidentified flying object. The observer reported a round object about color of cloud with white vapor behind it, soundless at about 5000-7000 feet moving at high speed in SE direction and passing approximately over Washington Cathedral. Time of observation about 1600. Observer was on W St. N.W. looking across Flower Park. Observer would not give name but seemed sincere. None of his information consistent with intent of hoax. Stated object disappeared in cloud.</i></p> <p><i>Suppose this report belongs in the record. Please see that it gets there.</i></p> <p style="text-align: right; font-size: 1.5em;"><i>JAS</i></p>
